

**Caratteristiche Generali**

- RFID HF Reader Desktop
- Support standard HF protocol tag
- Small size and high performance
- Available with Software for demo and configuration
- Low-power dissipation design
- CE certified

**Applicazioni**

- Raccolta dati
- Gestione asset
- Controllo accessi
- Gestione inventario

**Specifications**

Supported Transponder	Support mainstream ISO14443A,ISO14443B,ISO15693 protocol tag
Operation	Reading and Writing
Operating frequency	13,56MHz
Antenna	Integrated
Reading distance	10cm typ.
Writing distance	10cm typ.
Comunication interface	USB
Power Supply	5Vcc (USB)
Power Current	90mA typ.
Signal	Led
Dimensions	104 x 68 x10mm
Operating temperature	-20°C ÷ 60°C
Protection	IP40
Housing	ABS
Coulor	Light grey

Notes:

**Models available**

P.N.	Interface	Type	Dimensions	Picture
A11036D1	USB	ISO14443A-B	104 x 68 x 10mm	
A13036D1	USB	Multitag ISO14443A-B+ISO15693	104 x 68 x 10mm	

Notes:  
 Custom adjustment or firmware personalization available on every model.
